No. 16458-94 TB DOTS, Dated 04/04/2017

To

All Chief Executive Officer (CEO),
District Health Authority (DHA) in the Punjab.

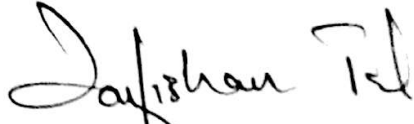

Subject: PROTOCOL FOR NOTIFIABLE COMMUNICABLE DISEASE

Reference letter No.PA/AST/MISC/2016 dated 22/03/2017 from Primary and Secondary Healthcare Department, Govt of the Punjab on the subject mentioned above.

As Government of Punjab has declared TB as a notifiable disease, every diagnosed TB cases in Public as well as Private Health Sector has to be reported to the Provincial TB Control Program-Punjab.

In this regard, you are requested to communicate all healthcare providers (formal and informal) in your district that they must report all diagnosed and under treatment TB cases to the District TB Coordinator (DTC) in respective district. Failing which, the government can take legal action against healthcare provider.

Your cooperation in this regard will be highly appreciated.
